Ensuring Total Food Safety in a Global Economy

2nd WORLD OF FOOD SAFETY CONFERENCE

22 - 23 May 2014 | IMPACT Exhibitions & Convention Centre, Bangkok, Thailand

Following the success of the conference in 2013, we are proud to announce the 2nd World of Food Safety Conference at THAIFEX - World of Food Asia 2014.

Review the latest strategies with industry leaders to achieve higher standards for your business, recognize potential regional and international food safety threats, recent food safety incidents, and the approaches used to tackle the issues head on. Stay ahead and ensure a safe and secure supply chain by effectively managing food safety through globally competitive operations and safety practices.

The inaugural World of Food Safety Excellence Awards - a platform that recognizes and celebrates the achievements of those who have made exceptional contributions to food safety and consumer satisfaction with a positive impact on business results. We welcome you to nominate the individuals and companies whom you feel influenced the industry.

ASEAN Food Industry Thought Leaders Panel brings together C-level executives of leading F&B organizations based in the ASEAN region, to address advancing food security and expediting food trade and investment in the light of AEC 2015. Industry leaders will share their thoughts on building capabilities to overcome food safety challenges, both domestically and internationally.

Meet Renowned International Food Safety Experts Including:
